

FOSTER'S POND CORPORATION

Yes! I want to help preserve Foster's Pond for future generations!

Membership connects you to the Foster's Pond community and allows the Foster's Pond Corporation to exist. But dues are not enough for us to do all the work that needs to be done. It will take an average of \$25,000 to \$30,000 a year, over the next several years, to maintain the dam, control invasive weeds, pay for inspections and licenses, and continue our lake management program to protect Foster's Pond. Instead of raising money for each new crisis, we are asking residents to make an annual contribution of \$250 (or more) to help us preserve Foster's Pond for future generations. Thank you for your generous support!

If you include your e-mail address, you will be added to our list for periodic updates on news affecting Foster's Pond. Your e-mail address will not be furnished to any other organization for any purpose whatsoever.

The Foster's Pond Corporation is tax exempt under Section 501(c)(3) of the Internal Revenue Code. Membership dues and any additional contribution are tax-deductible.
